- NOTE:**
- Do not scale from this drawing.
  - Drawing to be read in conjunction with all other relevant drawings and documents.
  - All dimensions should be checked on site, prior to starting work on site.
  - Contractor to determine exact location of services/drainage, this should be confirmed on site prior to commencement of works to avoid tree pit / services conflicts.
  - Contractor to allow for thermoplastic markings of parking bays.
  - For external lighting details refer to M&E Engineers drawings and specifications.
  - For drainage details refer to Civil Engineers drawings and specifications.
  - All build-ups, foundations and base formations to Engineers design and specifications.
  - All manholes within paving areas to be recessed. Manhole covers are to withstand the appropriate loading class within any given area. For Manhole cover specification, refer to Engineers schedules.
  - Any ecology works to be completed in co-ordination with a qualified Ecologist.

**Phasing Legend**

- Phase 1 Boundary
- Phase 2 Boundary
- Phase 3 Boundary
- Phase 4 Boundary
